- In the side menu click on **Applications**
- Click **Select** in **pCon.planner MarketingEdition**
 - It's free
 - Necessary for using configurable data offline
 - For other offline applications a license is required
- Click on **No pCon update installed?**

The screenshot shows the pCon.login web application. On the left is a dark sidebar menu with the following items: Home, User, Account, Organization, Account, Users, User groups, Manufacturer catalogs, **Applications** (highlighted with a red arrow labeled '1'), Channels, Licenses, Contact, and Help. The main content area is titled 'Applications' and has three tabs: Web, Phone & Tablet, and Computer & Notebook (which is selected). Below the tabs, there is a message: 'pCon.update will install the selected applications on your desktop computer or notebook during the next update. Please start a manual pCon update if you want to use the applications immediately. No pCon.update installed?' (with a red arrow labeled '3' pointing to it). Below this message are two application cards. The first card is for 'pCon.planner 8 PRO' with a 'License (free 30 days)' and a 'Select' button (with a red arrow labeled '2' pointing to it). The second card is for 'pCon.planner 8 MarketingEdition' with a 'Free' license and a 'Select' button.

- Now you'll have to wait for the manufacturer to approve the data access
 - Usually it happens within 24 hours
 - When you receive the confirmation email continue with this guide
-
- For the **online applications** (pCon.box and pCon.facts) you can start using the data immediately
 - For the **offline applications** (pCon.planner and pCon.basket) you'll have to download the data into your computer using pCon.update DataClient

Dear Sir or Madam,

✓ EasternGraphics - Kitchen Library has shared its catalog with you.

You are now free to use the EasternGraphics - Kitchen Library catalog in all pCon applications and services (e.g. pCon.box, pCon.facts). You can also download the catalog with the pCon.update DataClient to use it in the pCon.planner.

Best regards,
Your pCon.login team
